PEKIN TEACHERS WANT
PAY IN REAL MONEY

(Correspondence Associated Press)
PEKING, Feb. 11.—A strike by
teachers of the various government
schools in Peking has resulted in
the ministry of education meeting
their demands for prompt payment
of salaries and in silver or good
banknotes in place of the notes of
a Chinese bank which recently have
been accepted at only 50 per cent
of their face value. The premier
has announced that he will ap-
propriate the whole amount of the
boxer indemnity relinquished by for-
eign powers as a reserve fund for
educational purposes. A further de-
mand by the teachers for dismissal
of Fu Yu-feng, vice minister of edu-
cation, was taken under advisement.

ular triplicate location certificate
books at the Bonanza office.

SUGARING OFF
SEASON HERE

WASHINGTON, March 8. The su-
gar shortage and the approach of
"sugar weather" lead department of
agriculture experts to make the
statement that many thousands of
American farmers are overlooking
opportunities to secure maple sugar
and sirup for home use, as well as
for sale, at very little cost.
Discovery was made by govern-
ment investigators of many groves
of sugar maples in North Carolina,
one of which is probably larger than
any now to be found in New Eng-
land. The owners, being unaware
of the value of the trees from the
maple sugar standpoint, had begun
cutting them for lumber at an aver-
age of less than \$1.00 a tree. Last
season, upon suggestion of govern-
ment experts, these groves were
tapped and yielded sirup that sold
for \$4.00 a gallon. Revelation of
the potential value of the groves in-
duced the owners to plan more ex-
tensive operations for this spring.

TREES PUT IN
HALL OF FAME

(By Associated Press)
WASHINGTON, March 9.—"The
Great Tree on Boston Common" and
"The Green Tree Hotel" at Le
Claire, Iowa, the most famous tree
on the Mississippi river, were today
nominated for a place in the "Hall
of Fame for Trees" being compiled
by the American Forestry associa-
tion.
The Great Tree on Boston Com-
mon is nominated by J. Collins War-
ren, of Boston, who sends a com-
plete history of the tree which was
blown down in a storm February
15, 1918, the centennial of the year
in which the colonists gathered
around the tree and started for
Lexington to give battle to the
British.

"The Green Tree Hotel" at Le
Claire, Iowa, is nominated by J. B.
Barnes, who as a boy, played leap
frog beneath the branches of this
tree with one Willie Only, after-
ward known to fame as "Buffalo
Bill." This historic elm is well
known on the Mississippi river be-
cause of the river men, reports Mr.
Barnes. "It was the waiting place of
men out of a job and looking for a
trip." Therefore they gave it the
name of "The Green Tree Hotel."
It is considered to be 120 years old.
Other nominations for the hall of
fame include the Desoto Oak at
Tonopah, Fla., from which Desoto
started for the Mississippi and the
west; the Octopus tree in Charles
City county, Virginia, nominated by
Moede Ferguson as the greatest and
oldest tree in the state; the two
oaks at Marlinton, W. Va., marked
in 1751 by General Andrew Lewis.

FREE PUBLICITY
BY ARMY MAN

The following human interest ap-
pears of an army publicity agent is
such a good live stunt that The
Bonanza takes pleasure in printing
it in full without the slightest at-
tempt at blue penciling.
Memorandum For all editors.
Subject: Our questionnaire, 2-21-20.
Reference: Your answer.
1. For a very good reason this is
sent along as real news, although
not for publication.
2. Thanks for your prompt re-
sponse and your interest. Replies
to our questionnaire show an almost
unanimous verdict that the paper
waste is appalling. Based on slightly
less than 1,000 replies from paper-
reading in circulation from the
350,000 city daily in the 800 a week
follow in the rural districts, the
composite answer is:
How much free publicity are you
receiving in the daily mails—all
sources? Replies: barbed, confused.
How much of it are you using?
One-half of 1 per cent by volume.
How much of it is put up in
news-paper shape as to require
no editing or re-writing? Two and
three-quarters per cent by weight.
How much of it has news value?
None and then we find a rainbow in it.
Remarks of any? There should
be another Volstead act for the sup-
pression of news and unpaid pub-
licity. George J. Wood of "Likewise"
d-n. Waste is criminal. Some of
the most palpable offenders are
moving, presidential candidates,
financial institutions, relief organi-
zations paying high salaries to sup-
posed spare grafters. Heavy con-
gratulations on your good sense in
cutting out some of it.

3. And say with those few re-
marks, and after turning in our dark
lantern, our gun, our skeleton keys, we
renew membership in the Spier
Grabbers union and will endeavor to
lead an honest, straightforward life
hereafter.
4. But listen. Now and then
not often mind you when you get
in the mails a colored envelope such
as encloses this memorandum, open
it up for it will contain some too
good stuff that was smuggled in
through the vast sea of useless
words. It'll be that kind or we
won't send it out.
